

VALUES STATEMENT

TO OUR CUSTOMERS

We will be your premier provider of value solutions in all product areas we deliver. We will fully meet our commitments and strive to exceed your expectations in every functional area. We will be devoted to understand your needs and provide innovation that contributes to your business goals.

TO OUR COLLEAGUES

We will provide you rewarding opportunities with a commitment to your professional growth. We will maintain a safe and enjoyable environment committed to open communication and collaboration. Together we will be a knowledge based organization encouraging and developing innovation throughout all areas.

TO OUR SHAREHOLDERS

We will deliver growth and returns that meet or exceed those of alternative business investments. We will provide clear goals and professional plans to achieve your long-term returns.

TO OUR SUPPLIERS & PARTNERS

We will offer you the opportunity to be an integral partner in a long-term relationship that provides for our mutual success. We will clearly identify our expectations and meet our obligations.

TO OUR COMMUNITIES

We will be a respected and involved corporate citizen. We will be an active contributor to workforce and community development. We will act responsibly relative to social and environmental impact. We will encourage, and participate in, the actions of our colleagues to be respected contributors to their communities.
